Mr. Samuel Goldberg
Administrative Assistant to
Senator Charles McC. Mathias
460 Old Senate Office Building
Washington, D. C. 20510

Dear Sam:

I want you to know how very much we appreciate your taking time from your busy schedule to talk to our Intelligence Production Course class yesterday. I know this took a special effort on your part in view of your departure for Caracas today with the Senator.

The group was most interested in hearing firsthand how a Senator's office operates and learning about the problems you encounter. They were particularly interested in your comments on the interrelationships between the Legislative and Executive Branches. Your views were especially impressive since you have had the experience of working in both branches of the Government.

Again, many thanks. I hope your trip is interesting and fruitful.

Sincerely,

John M. Maury
Legislative Counsel
